Re: Public Records Request

Dear Sirs:

This is to request disclosure of the recording of the EPA's informational call regarding the ANCSA engagement process which was held on July 18, 2014, at 2:30pm Alaska time. from your agency under the Freedom of Information Act and regulations of your agency.

Under present regulations and case law pertaining to the Freedom of Information Act, I believe this document is available to me and to other members of the public. They are not exempted from required disclosure under present interpretations of the Act, and it is believed that the Justice Department would concur that the information must be released under terms of the Freedom of Information Act. Your agency is believed to have custody of this documents and/or reports, but if it does not, I would request prompt notice of its current location.

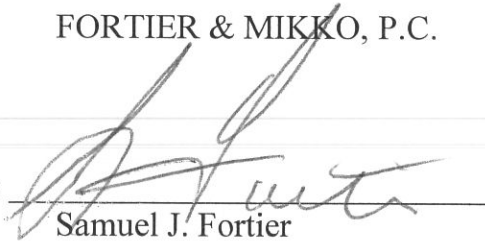

If any portion of this request is deemed denied, I request a detailed statement of the reasons for the withholding and an index or similar statements of the nature of the documents withheld. To expedite this request, I would be willing to discuss specific instances of deletion or other exemption claims in advance of a final decision by the agency. In the event of deletions, I request a reason be stated for each partial denial of access. Pursuant to the Act, I promise to pay reasonable charges incurred under regulations for search and copying of these documents, upon presentation of an invoice along with finished documents. (If search and copying fees exceed \$100.00, please telephone me in advance at (907) 277-4222 for agreement to such charges.)
